

# Teacher's Guide for the New English Curriculum

## Ninth Grade

### Unit 3 Lights, Camera & Action 2019

## The Best Show Ever

**Student A:** Did you see the last episode of Stranger Things?

**Student B:** I didn't, I haven't watched that show before, but I watched the trailer for it a few days ago.

**Student A:** You should start watching it, it's a very good series!

**Student B:** I would like to, however I just started watching Russian Doll on Netflix, and I like to watch only one series at a time.

**Student A:** I understand, maybe when you finish Russian Doll you can start watching it!

**Student B:** Maybe, I will put it on my list!

**Student A:** What other TV shows are on your watch list?

**Student B:** I also want to watch Rick and Morty and Brooklyn 99. One of my friends recommended them to me and said they were very good.

**Student A:** I watched Brooklyn 99 a few months ago and liked it a lot. Andy Samberg is one of my favorite actors. Have you seen it before?

**Student B:** I have! It's not my favorite show, but it wasn't bad.

**Student B:** Have you watched any good movies lately?

**Student A:** I recently watched Infinity Wars. I thought it was an excellent film, did you watch it?

**Student B:** I haven't seen it yet, but I want to!

**Student A:** It's a very exciting movie. I watched it last night with my family.

**Student B:** We should watch it together sometime!
