Breaking News

Student A: Hey! Did you read the news this morning?

Student B: No, what happened?

Student A: There is a new challenge going around the world that is to pick up trash.

Student B: Oh yeah, I saw a photo the other day about that, "The Trash Challenge".

Student A: Have you been seeing posts about it on Facebook?

Student B: Yes, it's all over social media right now.

Student A: Why don't we do it?

Student B: I would have done it by now if i had somebody to do it with.

Student A: We could go on the weekend, maybe on Sunday.

Student B: I had been wanting to do this for a long time now, I just recently started to see how popular it is.

Student A: I had spoken to my teacher about it last week and suggested we go as a class!

Student B: That's a great idea! I was thinking the same, we could pick up trash behind the school.

Student A: Good idea, let's talk tomorrow with our teachers so they can ask the principal for permission.

Student B: This is exciting, we are going to help the community a lot by participating in this challenge.

Student A: Hopefully, more people will follow this movement!
