#### Emergency Traveling Situations

**Assistant:** Good morning! Welcome to Delta. How can I help you today?

**Traveller:** I missed my flight because there was so much traffic.

**Assistant:** It's okay, stay calm. We can find a solution.

**Traveller:** Can I buy a ticket for a later time?

**Assistant:** Yes, let me check the schedule.

**Traveller:** Perfect. I'll just find another flight.

**Assistant:** What's your destination?

**Traveller:** Newark, New Jersey, please.

**Assistant:** Okay, the next available flight is delayed, but it leaves in 4 hours.

**Traveller:** Excellent, what is the fare?

**Assistant:** It's 250 dollars.

**Traveller:** Alright. that's pretty cheap! Can I check-in now?

**Assistant:** Sure, give me your passport please. Would you like to check-in any luggage?

**Traveller:** No, thank you. I'm just flying with a carry-on

**Assistant:** Alright. Here is your e-ticket, gate 30. Have an excellent flight, and I'm sorry you missed your flight.

**Traveller:** I appreciate your help. Let's hope this flight is not cancelled!
