**Student A:** Have you heard of Hernán Jiménez?

**Student B:** Oh yeah! His acts are heard all around the world.

**Student A:** I did not know he was from San José.

**Student B:** He is a famous writer comedian and actor. Remember we saw his movie last November.

**Student A:** I would've loved to be a comedian if I were a funny guy.

**Student B:** I wouldn't like to be a comedian if I had to choose between that or a cartoonist. It is too hard.

**Student A:** We should go to one of his performances in San José.

**Student B:** Oh yes, my father said he is coming this summer to the National Theater.

**Student A:** I wonder how much tickets are.

**Student B:** Probably, no more than five thousand colones.

**Student A:** My mother said if I pass the English exam she would invite us to the show.

**Student B:** Cool! We should study hard.

**Student A:** I have an idea! Why don't we get a group to study and we can all go together.

**Student B:** Fantastic! When is our exam?

**Student A:** In less than two weeks. We should start studying now!
