

Kylie Goes Shopping

By Dina Peters, M.S. CCC-SLP

Kylie and her mom went to the grocery store.

Mom brought her grocery list and Kylie found a buggy. Kylie was Mom's helper. Mom told her what to put in the buggy.

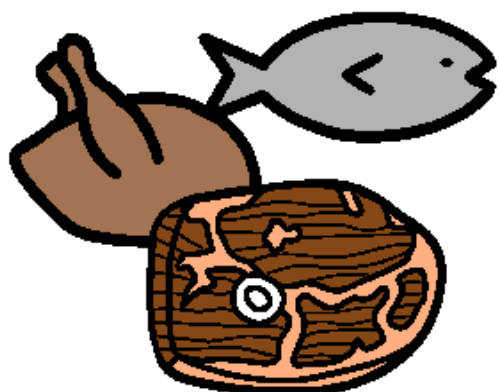

Kylie put a head of lettuce in the buggy.

Kylie put a big tomato in the buggy.

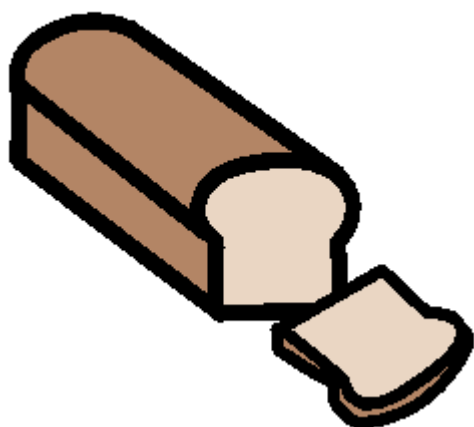

Kylie put an onion in the buggy.

Next Mom and Kylie looked for meat.
Kylie put meat in the buggy.

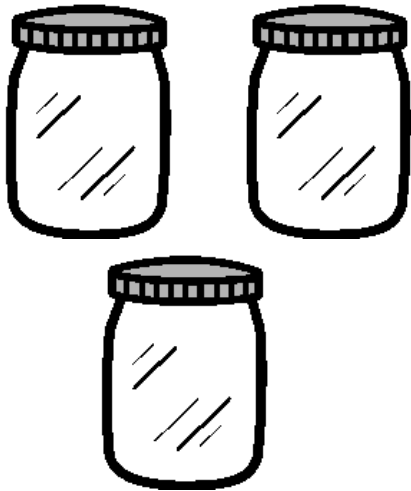

Kylie put cheese in the buggy.

Then Mom and Kylie found the bread.
Kylie put some buns in the buggy.

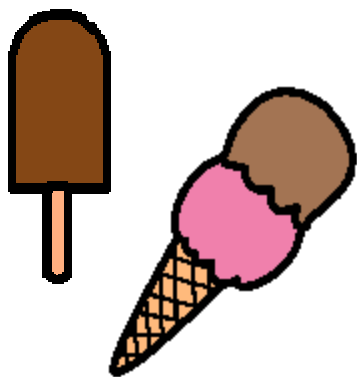

Mom and Kylie went down many aisles.
Kylie put a bag of chips in the buggy.

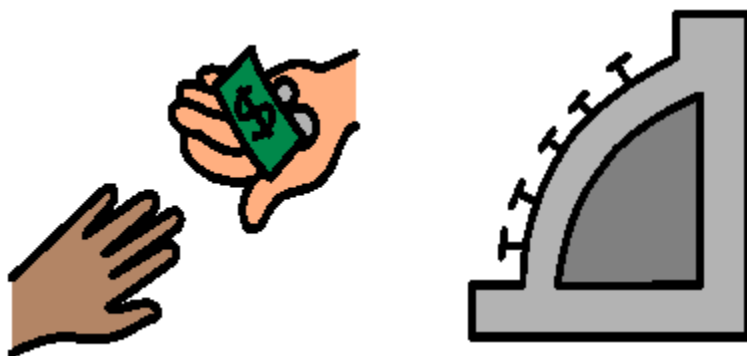

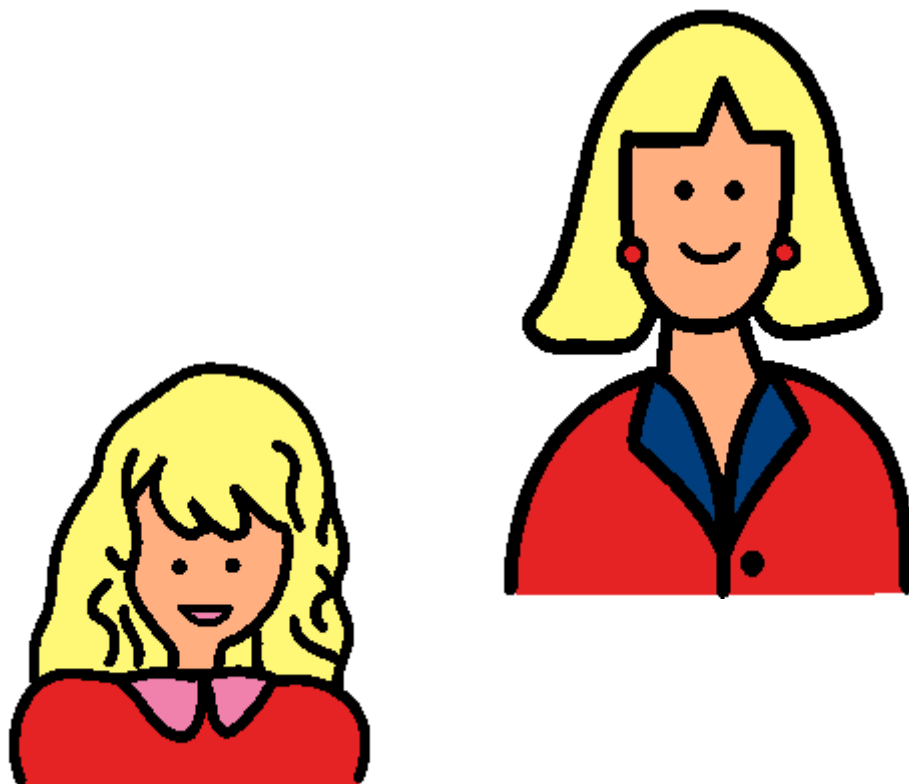

Kylie put jars of ketchup, mayonnaise, mustard
and pickles in the buggy.

Kylie put some drinks in the buggy.

Last Kylie put some ice cream in the buggy.

Mom and Kylie were finished shopping and it was time to pay for the food and go home.

They put their groceries in the car and drove home.

At home Mom and Kylie made hamburgers. They ate them with chips and a drink and had ice cream for dessert. Name all of the things you like to eat on your hamburger.
